President's Report

Greetings fellow Zontians

Winter is slowly winding down and the sun is spending more time shining down than hiding behind cloudy skies. It's been really therapeutic to spend what good weather we have had out in the garden. But hopefully we'll get a lot more rain before the big dry sets in for the summer. It's hard sitting down at a desk when the sun is out and the cats are expecting me to come out and play. But duty calls.

We are having Pat Rix as our speaker at our August meeting. She is currently one of the finalists for the Ruby awards to be presented on September 9th. She is in the running for the Geoff Crowhurst Memorial Award for her work in founding the internationally recognized Tutti Arts which offers drama, music and visual arts which includes people with disabilities as well as members of the wider community. One of our projects was to donate to her choir. She should be very interesting and inspiring to listen to and it is great to have a speaker who we are actively supporting. I hope as many of you as possible will come to the August meeting to listen to this dynamic woman.

We have a movie afternoon on the 18th of September at the Chelsea and having seen the trailer I think we will enjoy it. This is one of our main fundraising functions for the year so hopefully all of you will support it by attending and bringing others to swell the numbers. We will have some great raffle prizes on the day as well thanks in large part to our new PR convenor Heather Broad. Tickets and information will be available at the August meeting and we will ask for everyone to donate to the afternoon tea to be served on the day.

President's Report cont ...

The information night for the Mt Barker Club will be held on September 20th and we have had several members volunteer to help on the night. It would be nice if all of you could attend as representatives of Zonta as it is an important function for us as we are the sponsoring club. Beryl has worked very hard to put the information night together and we are hoping to have an article in the Courier to advertise it.

Hope to see all of you at the meeting Wednesday.

Yours in Zonta
