SEPTEMBER 2011 BULLETIN

President's Report

Greetings fellow Zontians

This issue has to include a big thank you to Beryl and her committee for her organization of the Mt Barker Information Evening on the 20th and to Marilyn Little and the Fundraising Committee for the successful movie afternoon.

The Mt Barker evening was not only extremely well organized, moving along like a well oiled machine, but it was also a very informative and a fun night. Beryl organized some great speakers and we have had a good response from those who attended and from some who were unable to attend on the night. Hopefully there will be enough enthusiasm to form a new club under our auspices. Watch this space!

The movie afternoon was a great success, thanks to Marilyn's organisation. Thank you to all of those who contributed toward afternoon tea and sold tickets. Also an extra big thank you to our marvelous Heather for organizing the donation of food. According to our treasurer we look like having made a profit of around \$1300. That is great news for our projects. And the movie was a good one too with much food for thought.

You will all have received news of Heide Taylor's passing. We had a notice included in the paper to express our condolences. There will be a celebration of her life on October 14 and I will send the details out when I receive them. Her daughter is still overseas until next week. Heide meant so much to so many Zontians. She is responsible for helping so many women by founding clubs which then went on to fund projects to help other women.

Our September meeting will be one to celebrate membership and we will have some short speeches from some of our members on different aspects of Zonta. We will also have a presentation from one of our young recipients about her attendance at the Leadership camp. Be sure to let Doone know by Monday of your attendance and if you are bringing extra friends.

President's Report cont ...

Let's see if everyone can bring a friend, not necessarily to join but to hear about Zonta so they can pass on the message.

The Conference is coming up and we have 5 going at this stage. I will be there and I am looking forward to having some fun in Melbourne as well as hearing about Zonta.

I look forward to seeing all of you at the September meeting.

Yours in Zonta
Sherry

BIRTHING KIT ASSEMBLY DAY

On Friday 30th September, St. Mary's College, in the city, is celebrating Social Justice Day, which is the final day of fundraising for special projects that each Year level chooses to support. Last year and this year, the Year 12 students have chosen to support the Birthing Kit Project, and I am assisting them to have an assembly morning when they will assemble 400 kits. We will have 50 students participating, and with the help of Sherry, Bev, Joy and Marilyn, we should have the kits assembled in no time at all.

St. Mary's College have given an indication that they may be interested in holding an assembly every year on Social Justice Day, which is usually held on the last day of Term 3, as this is the final school day for Yr. 12 students before they study for their final exams. As my daughter, Georgia, attends this school, and Joy O'Hazy also attended this school, I am very excited that they are very interested in our District Project. We will let you know at the next meeting how it all goes.
