WEDNESDAY NOVEMBER 3RD, 2010

This is the 35th anniversary of the passing of the Sex Discrimination Act

South Australia was the first Australian State to introduce sex discrimination legislation

On **November 3 2010**, the Don Dunstan Foundation will hold an event that will link the 'original' feminists of Don Dunstan's time with the young women of today who have a different path to tread to achieve equality of opportunity for women of future generations.

The event will be in two parts:

at **5:30pm** drinks, nibbles and conversations on the lawns behind Bonython Hall

at **7pm** a keynote address delivered by a prominent Australian.

This will be followed by a witty debate.

Please set a date with your mother/daughter - real or borrowed - and forward this email to everyone you know.
